

<i>Application to activate network access for teaching (email address, network account, WLAN access, TOTARA)</i>	
Last name	First name
Street	Town/city, postcode
Telephone	
Private email address	
Study programme, course, year, employed from/to	
Confirmation from study programme office	
The applicant is a lecturer at DHBW-VS. Date, signature	
User regulations	
Network access may be used for teaching and study purposes only. Unless otherwise specified, access is granted for the current academic year. After this, it can be informally extended for the subsequent academic year. Violating the user regulations will result in access being immediately revoked. I accept these user regulations and confirm that my details are correct. I agree to a login and password being emailed to me at the above address.	
Place, date	Signature
Leave blank – to be completed by the IT Service Center-	
Login	Password
DHBW-VS email @dozent.dhbw-vs.de	Access valid from/to

If you have any questions please contact the IT Service Center's technical director Mr Speck,
